REVENUE ASSUMPTIONS:

TPFA administers the State's Master Lease Purchase Program ("MLPP"), which is available to all state agencies and institutions of higher education. Currently, there is an Administrative Fee on each Lease equal to 1.0% of the principal outstanding. This fee is established by TPFA in the program documents and may be changed with governing board action. In 2019, the program was restructured to include financing for facility purchases and/or construction projects. These revenues have been appropriated to pay a portion of TPFA's administrative budget and direct program costs that include Liquidity, Credit Ratings, Remarketing, Paying Agent fees and other necessary administrative fees. The number and volume of Leases processed each year is a function of expenditures and financing decisions made by leasing agencies and the Legislature, and is not within TPFA's control. This schedule estimates collections for Leases currently in place or anticipated, based on appropriations for the 2024-25 biennium, and balances represent administrative fees collected in prior years and not spent in prior years. The fund maintains a balance to cover direct program costs in the event program activity declines.
